

Warriors Blank Sequoits to Open Season

The Deerfield Warriors girls soccer team got the season underway successfully last night with a 2-0 victory over the host Antioch Sequoits. Margot Sylvan opened the scoring in the 3rd minute when she took a cross field pass from Enya Horgan, juked a defender, and fired a shot off the far post and keeper to make it 1-0. Although they applied sustained pressure, the Warriors were not able to add another until just before halftime. Sophomore Samantha Linn beat her defender to the endline and whipped in a cross that Sophie Gray fired on frame. The keeper parried the shot and Gray followed up and buried the rebound. Sari Eisen made 4 saves and Sarah Blumenfeld 1 to record the shutout.
